PROJECT ARCHIVE 2009-2021

Project name	Date	Donor/Partner
Delivering protected area capacity and engaging traditional pastoral communities to conserve Georgia's unique and internationality important biodiversity	2009-2012	FFI/EU
Testing site-level revenue generation mechanisms in Tusheti PAs	2010-2012	UNDP/GEF
Conservation of the Leopard in South Caucasus	2012	WWF
Georgian Carnivore Conservation Project	2012	FFI
Sustainable Management of Biodiversity in South Caucasus	2012-2013	GIZ
Implementation of Captive Bear Action Plan	2012-2013	ALERTIS
Assessment of Pastures in Vashlovani National Park	2013	UNDP
Preparation of Phshav-Khevsureti management planning guidelines	2013	WWF
Vegetation Mapping in Vashlovani National Park	2013	UNDP
Conservation of the Leopard in South Caucasus	2013	WWF
Mitigating human-large carnivore conflict in Vashlovani PAs	2013	FFI
Study of the leopard and its prey in South Caucasus	2013	The Mohamed bin Zayed Species Conservation Fund
Emerald Network of Nature Protection Sites, Phase II.	2013-2014	Council of European Commission
Development of Nature-Based Tourism in Georgian PAs	2013-2014	UNWTO
Preparation of mammal monitoring plan for Kolkheti national park	2013-2014	The Kolkheti PA Development Fund

Establishment of participatory monitoring system for endangered species in Borjomi- Kharagauli National Park	2014-2014	GEF/SGP/CNF
Preparation of Pasture Monitoring Plan for Lagodekhi PA	2014-2015	USAID
Emerald Network of Nature Protection Sites, Phase II.	2014-2015	Council of European Commission
Sustainable Management of Biodiversity in South Caucasus	2014-2015	GIZ
Pasture Management System and Plan Development for Traditional Use Zone, Vashlovani national Park	2014-2015	UNDP
Preparation of Sustainable Pasture management Plan and Piloting Sustainable Pasture Use Best Practices in Vashlovani Protected Areas	2014-2016	UNDP
Mitigating human-large carnivore conflict in Vashlovani protected areas	2014-2015	FFI
Emerald Network of Nature Protection Sites, Phase II.	2015-2016	Council of European Commission
Finalisation of vegetation mapping in Lagodekhi PAs	2015-2015	European Community External Aid
Finalisation of the Pasture management Plan for Lagodekhi PAs	2015	European Community External Aid
Participatory planning for restoring the carrying capacity of the pastures of Tusheti	2015	ECO Consulting
Feasibility study for the establishment of biosphere reserves in Georgia	2015	Michael Succow Foundation
Supporting the implementation of Biodiversity-related EU Directives in Georgia	2015	GIZ
Support the implementation of sustainable pasture management plan for Vashlovani National Park	2015-2016	UNDP
Captive Bears in Georgia	2016	World Animal Protection

Emerald Network of Nature Protection Sites, Phase II. 2016 Council of European Commission Vegetation Monitoring Component as Part of Implementation of Bioengineering Measures in Tusheti 2016 ECO Consulting Implementation of Geobotanical Assessment in Tusheti, Georgia 2016 ECO Consulting Development of Pasture Cadastre for Tusheti, Georgia 2016 ECO Consulting Monitoring of East Caucasian Tur in Lagodekhi Protected Area 2016 CNF Development of Effective and Innovative Approaches to addressing Human and Wildlife Conflict around Machakhela NPs and improving the effectiveness of Biodiversity Monitoring 2017 UNDP Application of Effective Waste Management Mechanisms on Vashlovani PAs 2017-2019 UNOPS Assessment of natural pastures in Tusheti: geobotanical study and pasture mapping 2017-2018 GIZ Promotion of Eco Corridors in the Southern Caucasus 2017 WWF Conducting and coordinating transboundary biodiversity monitoring 2017-2019 WW/TJS Caucasus Development of Pasture Management Plan for Borjomi-Kharagauli National Park in Georgia (Phase I) 2017 CNF Intergatation of sustainable forest management practices in Georgia 2017-2019 World Resources Institute Supporting the Implementation of Biodiversity-related EU Directives in Georgia	GEF/SGP Operational Plan 6 (OP6) Country Programme Strategy Elaboration	2016	GEF/SGP
Measures in Tusheti Implementation of Geobotanical Assessment in Tusheti, Georgia 2016 ECO Consulting Development of Pasture Cadastre for Tusheti, Georgia 2016 CO Consulting Monitoring of East Caucasian Tur in Lagodekhi Protected Area 2016 CNF Development of Effective and Innovative Approaches to addressing Human and Wildlife Conflict around Machakhela NPs and improving the effectiveness of Biodiversity Monitoring Application of Effective Waste Management Mechanisms on Vashlovani PAs 2017-2019 UNOPS Assessment of natural pastures in Tusheti: geobotanical study and pasture mapping 2017-2018 GIZ Promotion of Eco Corridors in the Southern Caucasus 2017 WWF Conducting and coordinating transboundary biodiversity monitoring 2017-2019 WW/TJS Caucasus Development of Pasture Management Plan for Borjomi-Kharagauli National Park in 2017 CNF Georgia (Phase I) Intergtation of sustainable forest management practices in Georgia 2017-2019 World Resources Institute Supporting the Implementation of Biodiversity-related EU Directives in Georgia 2017-2018 UNDP	Emerald Network of Nature Protection Sites, Phase II.	2016	·
Development of Pasture Cadastre for Tusheti, Georgia 2016 ECO Consulting Monitoring of East Caucasian Tur in Lagodekhi Protected Area 2016 CNF Development of Effective and Innovative Approaches to addressing Human and Wildlife Conflict around Machakhela NPs and improving the effectiveness of Biodiversity Monitoring Application of Effective Waste Management Mechanisms on Vashlovani PAs Assessment of natural pastures in Tusheti: geobotanical study and pasture mapping 2017-2019 UNOPS Assessment of natural pastures in Tusheti: geobotanical study and pasture mapping 2017-2018 GIZ Promotion of Eco Corridors in the Southern Caucasus 2017 WWF Conducting and coordinating transboundary biodiversity monitoring 2017-2019 WW/TJS Caucasus Development of Pasture Management Plan for Borjomi-Kharagauli National Park in Georgia (Phase I) Intergtation of sustainable forest management practices in Georgia 2017-2019 World Resources Institute Supporting the Implementation of Biodiversity-related EU Directives in Georgia 2017-2018 UNDP		2016	ECO Consulting
Monitoring of East Caucasian Tur in Lagodekhi Protected Area 2016 CNF Development of Effective and Innovative Approaches to addressing Human and Wildlife Conflict around Machakhela NPs and improving the effectiveness of Biodiversity Monitoring Application of Effective Waste Management Mechanisms on Vashlovani PAs 2017-2019 UNOPS Assessment of natural pastures in Tusheti: geobotanical study and pasture mapping 2017-2018 GIZ Promotion of Eco Corridors in the Southern Caucasus 2017 WWF Conducting and coordinating transboundary biodiversity monitoring 2017-2019 WW/TJS Caucasus Development of Pasture Management Plan for Borjomi-Kharagauli National Park in Georgia (Phase I) Intergtation of sustainable forest management practices in Georgia 2017-2019 World Resources Institute Supporting the Implementation of Biodiversity-related EU Directives in Georgia 2017-2018 UNDP	Implementation of Geobotanical Assessment in Tusheti, Georgia	2016	ECO Consulting
Development of Effective and Innovative Approaches to addressing Human and Wildlife Conflict around Machakhela NPs and improving the effectiveness of Biodiversity Monitoring Application of Effective Waste Management Mechanisms on Vashlovani PAs Assessment of natural pastures in Tusheti: geobotanical study and pasture mapping Promotion of Eco Corridors in the Southern Caucasus Conducting and coordinating transboundary biodiversity monitoring Development of Pasture Management Plan for Borjomi-Kharagauli National Park in Georgia (Phase I) Intergtation of sustainable forest management practices in Georgia Supporting the Implementation of Biodiversity-related EU Directives in Georgia Expansion and Improved Management Effectiveness of Protected Areas in Achara 2017-2018 UNDP UNDP UNDP UNDP	Development of Pasture Cadastre for Tusheti, Georgia	2016	ECO Consulting
Wildlife Conflict around Machakhela NPs and improving the effectiveness of Biodiversity Monitoring Application of Effective Waste Management Mechanisms on Vashlovani PAs Assessment of natural pastures in Tusheti: geobotanical study and pasture mapping Promotion of Eco Corridors in the Southern Caucasus Conducting and coordinating transboundary biodiversity monitoring Development of Pasture Management Plan for Borjomi-Kharagauli National Park in Georgia (Phase I) Intergtation of sustainable forest management practices in Georgia Supporting the Implementation of Biodiversity-related EU Directives in Georgia 2017-2018 UNDP	Monitoring of East Caucasian Tur in Lagodekhi Protected Area	2016	CNF
Assessment of natural pastures in Tusheti: geobotanical study and pasture mapping 2017-2018 GIZ Promotion of Eco Corridors in the Southern Caucasus 2017 WWF Conducting and coordinating transboundary biodiversity monitoring 2017-2019 WW/TJS Caucasus Development of Pasture Management Plan for Borjomi-Kharagauli National Park in Georgia (Phase I) Intergtation of sustainable forest management practices in Georgia 2017-2019 World Resources Institute Supporting the Implementation of Biodiversity-related EU Directives in Georgia 2017 GIZ Expansion and Improved Management Effectiveness of Protected Areas in Achara 2017-2018 UNDP	Wildlife Conflict around Machakhela NPs and improving the effectiveness of	2017	UNDP
Promotion of Eco Corridors in the Southern Caucasus Conducting and coordinating transboundary biodiversity monitoring Development of Pasture Management Plan for Borjomi-Kharagauli National Park in Georgia (Phase I) Intergtation of sustainable forest management practices in Georgia Supporting the Implementation of Biodiversity-related EU Directives in Georgia Expansion and Improved Management Effectiveness of Protected Areas in Achara 2017 WWF CNF GOIT CNF GOIT GIZ Expansion and Improved Management Effectiveness of Protected Areas in Achara 2017-2018 UNDP	Application of Effective Waste Management Mechanisms on Vashlovani PAs	2017-2019	UNOPS

Supporting the Implementation of Biodiversity-related EU Directives in Georgia 2017 GIZ Expansion and Improved Management Effectiveness of Protected Areas in Achara 2017-2018 UNDP	· · · · · · · · · · · · · · · · · · ·	2017	CNF
Expansion and Improved Management Effectiveness of Protected Areas in Achara 2017-2018 UNDP	Intergtation of sustainable forest management practices in Georgia	2017-2019	World Resources Institute
	Supporting the Implementation of Biodiversity-related EU Directives in Georgia	2017	GIZ
Supporting countries in Pan Europe to implement NBSAPs 2018 UNEP	Expansion and Improved Management Effectiveness of Protected Areas in Achara	2017-2018	UNDP
	Supporting countries in Pan Europe to implement NBSAPs	2018	UNEP

Vegetation Monitoring and Pasture Management planning in Tusheti Protected Areas	2017-2019	GIZ
Establishing effective management of the Emerald Network of Georgia	2018	GIZ
Baseline Study of the three Compensatory Sites for Emerald Network	2018	GIZ
Transboundary monitoring between the Lagodekhi and Zakatala Protected Areas	2018	WW/TJS Caucasus
Preparation of eco-tourism development action plan within the territory of state forest in Borjomi Municipality	2018	UNDP
Preparation of Georgia's Report on the Emerald Network	2018-2019	GIZ
Capacity building of local community for wildfire risk reduction in Borjomi municipality	2018	Polish Solidarity Fund
Development of pasture management plan for Borjomi-Kharagauli National Park (BKNP): Phase II	2018-2019	CNF
Voluntary Fire Service as a Form of Temporary Crisis Response	2019	Polish Solidarity Fund
GEF/SGP Operational Plan 7 (OP7) Country Programme Strategy Elaboration	2019	UNDP
Mapping of Selected Freshwater Habitats on the Emerald Sites of Western Georgia	2020	GIZ
Development of Biodiversity Management Plan for Jvari-Tskaltubo Power Transmission Line Corridor	2020-2021	WB
Support in introduction and testing of smart technology in BKNP and LPAs	2020	CNF
The development of the concept for an institutionalized national biodiversity monitoring approach for Protected Area network of Georgia	2020-2021	CNF
Supporting the strengthening of patrolling techniques in selected Georgian Protected Areas	2020	CNF

Biodiversity Monitoring in Selected Protected Areas in Georgi	2020-2021	CNF
Leopard Survey in the Caucasus	2020-2021	WWF
Conserving Biodiversity through Community Monitoring	2020-2021	Europe Foundation
Monitoring of Short-listed Species indicators (mammals, pastures, invasive species) in Selected Protected Areas in Georgia	2021-2022	CNF
Mapping forest fire risks in Georgia	2021-2022	USDA, U.S. Forest Service
